There's More than "I" in Innovation
From Crisis to Control: A New Era in Strategic Project Management
What Quality Professionals Need to Know to Sleep Better at Night.
"Help!! I Think I'm in Trouble" - Project Audits

Here's what some clients have to say about Michael's keynote presentations:

"Excellent speaker. Great session. Organized well."
-FIK International, Mumbai, India

"Michael's delivery is challenging and thought provoking."
-Canada Provincial Conference

"Michael's presentation enriched our knowledge and became our most important experience and I think will stay in our memories forever."
-Lafe Group of Companies, China

"Your knowledge of quality and risk management is far reaching and improved the ability of the delegates to achieve (and exceed) their targets."

-Marcusevans, Malaysia

"The Organizing Committee was thrilled with attendance for your address and the feedback we have received from attendees has been overwhelmingly positive. "Attention getter!" "Awesome!!" and "Great Speaker" are all comments that were shared repeatedly in the feedback we received. Your ability to connect and engage such a large audience is a credit to the knowledge you have of this subject matter and the superior skills you possess as a presenter."

- American Society for Quality
